Continuation of Substance of Interview including description of the general nature of what was discussed: The examiner contacted Mr. Schaefer regarding a possible examiner's amendment to claim 1 to place the application into allowance. After an updated search the examiner found prior art that teaches a nut with a plate mounted in rotation within the bore of the nut that is capable of being combined with similar prior art references lacking that specific feature. The applicant's representative did not feel comfortable granting the examiner's amendment and requested a non-final office action be drafted and mailed out..
